

**M**an of multiple  
passions, he never left  
anyone indifferent. His  
energy and his friendship  
will be missed enormously.

Man of action who loved life,  
here is the text he has chosen  
to bid you his goodbys.  
He hopes that you keep  
a small place for him  
in your heart.

*« Life is beautiful,  
like a knot in wood  
Life is good,  
tasted from the palm  
of your hand  
Life is fragile, even if  
you are king  
Life is hard,  
you know what I mean.*

*Love is beautiful,  
you imprinted it on me  
Love is good,  
when bestowed by your hands  
Love is heavy,  
weighing on your backs  
Love is brief  
and knows nothing.*

*Death is mad,  
meaner then the wind  
Death is deaf,  
like a corpse on a bench  
Death is dark,  
and laughs as it passes  
Death is huge,  
Death is full of life. »*
